

DEMONSTRATION AGAINST CRIMINALIZING PEACEFUL FKM/RMS POLITICAL
ACTIVISTS IN MOLUCCAS - Adelaide / Australia, Tuesday, 7 September 2010 @ 3pm

September 2010 – Adelaide – South Australia

The Moluccan community in Australia is deeply concerned with the ongoing prosecution, harassment, criminalization and torture of peaceful political activists in Maluku. The notorious Indonesian...ian anti-terror squad Detachment 88, sponsored by Australia, is responsible for these ruthless oppression in Maluku. For many years the People of Moluccas have suffered under this brutal police force and their human rights atrocities still go unpunished. While the rights to free expression, opinion and peaceful assembly are guaranteed under the Indonesian Constitution and the International Covenant on Civil and Political Rights (ICCPR), to which Indonesia is a state party, the Indonesian government continuously demonstrate their blatant disregard for international human rights. This policy, also clearly reflected Indonesia's repressive legal system and the deterioration of the judicial branch, particularly the police, the courts and judiciary. We, therefore call upon the Australian Parliament and Government and the People of Australia, committed to freedom, human rights and justice, to put pressure on the Indonesian government to release immediately and unconditionally the PEACEFUL FKM/RMS POLITICAL ACTIVISTS and to End the Oppression of the People of Moluccas.
